

E-CONS Network

Newsletter

Nº 2 Year I

SOCRATES AGENCY

As I am sure you are aware, within the Socrates programme, Comenius 3 actions, among the new projects approved in the year 2004 is the E-CONS Network project (reference 116818-CP-1-2004-1-ES-Comenius-C3). E-CONS is a thematic network that covers Consumer Education and aims to reach all the countries of Europe.

We are writing to you to seek your inestimable collaboration in order to make this project a success. We enclose the following documents:

- A document summarising the project.
- A copy of the certificate we have sent to the coordinating body in your country for this project.
- A list of teachers from your country interested in this network.
- A copy of the provisional programme for the first European Teacher's Meeting to be held in the Magdalena Palace, Santander.
