Nº 3 Year I

INFORMATION FOR PARTNERS, AGENCIES AND TEACHERS OF E-CONS NETWORK

Having signed the contract with the European Commission on 16th November 2004 and having held the first meeting of the Technical and Management Committees of the Network, we are seeking your active collaboration.

The first task we wish to carry out (in accordance with the project) has two points:

So as to know the level of involvement of your country in Consumer Education matters, we are pleased to send you a questionnaire which we ask you to fill in and return to by 15th January 2005. This information could be of great use for the development of the project, and thus we ask all partners to make the effort to complete the questionnaire enclosed. The results of the study and the documents contributed by each of the partners will be included in the project website.

AN INVITATION TO PARTICIPATE IN THE EUROPEAN MEETING OF THE E-CONS THEMATIC NETWORK TO BE HELD IN SANTANDER FROM 12-14 MAY 2005

This Meeting is very important for teachers because they will be able to find partners for Comenius 1 school projects on Consumer Education. Also, it will be able to present projects Comenius 1 in progress and/or already developed. Costs for the participation of your teachers can be met by our National Socrates Agency providing that application for funding is sought and that the Agency has such funds available.

With reference to the mentioned European Meeting, we would like to inform you that this will be held in Santander, in the Magdalena Palace (a most beautiful spot located at the top of a tiny peninsular with marvellous sea views on practically all sides). The events will also include an exhibition of didactic materials produced by the organisations that are members of the Network and of the school material and typical products contributed by the participating teachers (which is usually the case in these kinds of meetings). As you know, we are able to cover travel and accommodation costs of one person from your organisation.
