

This questionnaire is part of various tools designed to evaluate the Basic Manual of "Consumer Education in the classroom". The objective is to collect the opinions of the involved people, teachers and persons in charge of public and private organizations.

Your collaboration is fundamental for the improvement of the manual. Therefore, we kindly ask you to spend some minutes in order to complete this questionnaire.

All information given will be treated confidentially.

In order to respond the questions, please insert in the frame or square the number of the option you consider as nearest to your opinion. In case your opinion does not correspond to the given options, please write the appropriate remark.

We thank you very much for your kind collaboration. Best regards, the E-CONS Network.

A. ORGANIZATION OF THE MANUAL

Please indicate, using the following scale, whether you agree or not with the following statements:

[5] I totally agree	[4] I agree	[3] Intermediate
[2] I disagree	[1] I totally disagree	[6] I do not know

- A01. The Basic Manual responds to possible methodological lacks of the teaching staff..... []
- A02. The theoretical aspects of the Manual are adequate []
- A03. The definition of the objectives of the Manual is clear []
- A04. The sequence of the activities is coherent with the education levels..... []
- A05. The timing of the activities is adequate/sufficient..... []
- A06. I think conferences, round tables with professionals, experts and teaching staff are interesting []
- A07. Coordination between organizations of consumers affairs and teaching staff is necessary..... []
- A08. Strategic support for teaching staff is fundamental in order to use manuals like the proposal of the E-CONS Network..... []
- A09. The evaluation criteria, mentioned in the Manual, are adequate []
