

**EVALUATION OF THE PARTNERS' MEETING
 OF THE E-CONS NETWORK (COMENIUS 3)
 Sofia, 12th May 2007**

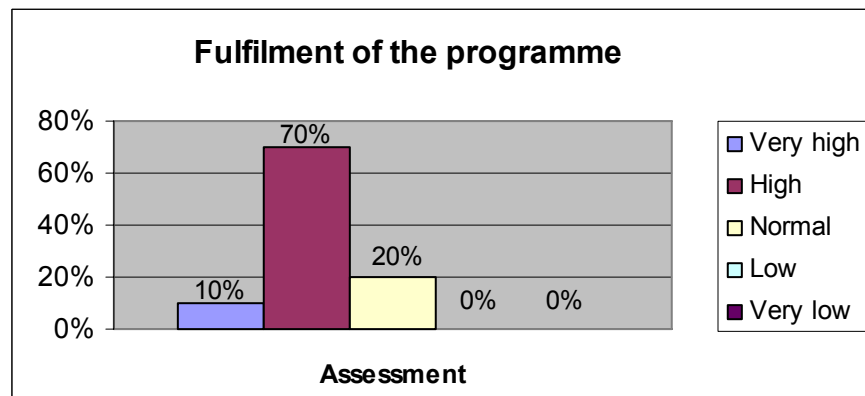

The meeting of the E-CONS Technical Committee took place on the 12th May 2007. The main aim of this questionnaire is to assess this activity as well as to give alternatives to the points treated.

The conclusions resulting from these questionnaires belong to the representatives from the following European countries:

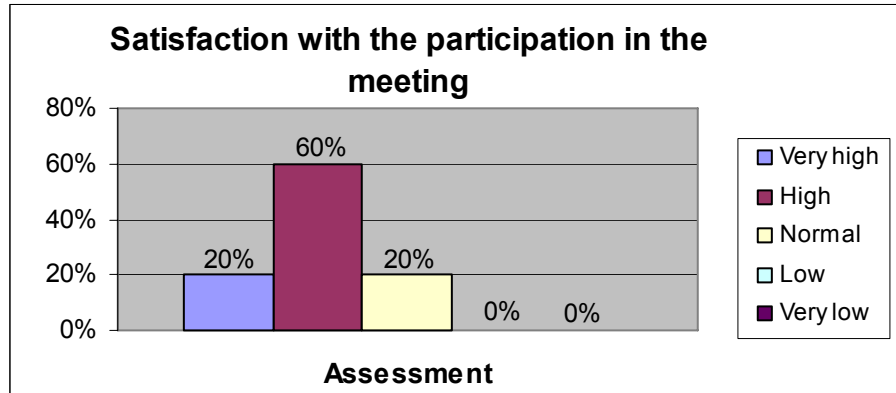

- ✓ Spain, Belgium, France, Hungary, Italy and Portugal.

At the end of the meeting, every participant received an evaluation questionnaire to assess the level of satisfaction with his/her participation, considering different aspects.

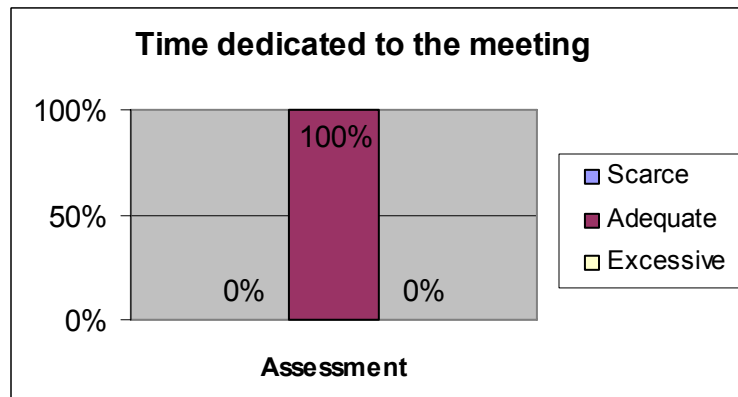

These are the conclusions resulting from the questionnaires:

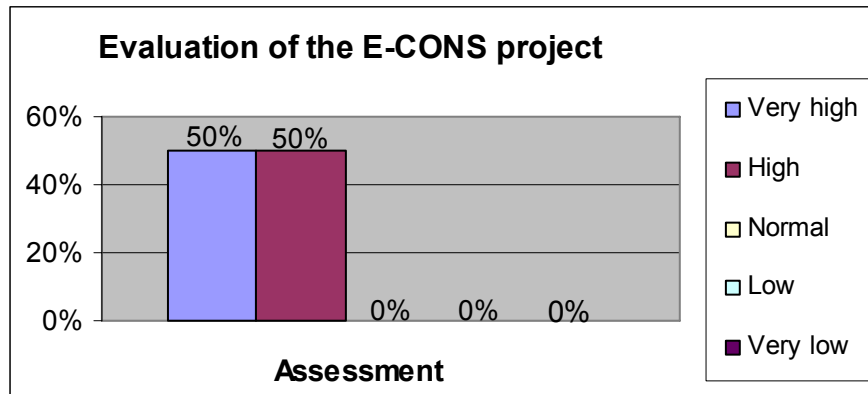

Regarding the level of fulfilment of the programme, all the participants think that the programme has been fulfilled; 80% of the participants evaluate it as "High" or "Very high" and 20% of the participants as "Normal". Nobody evaluate it as "Low" or "Very low".

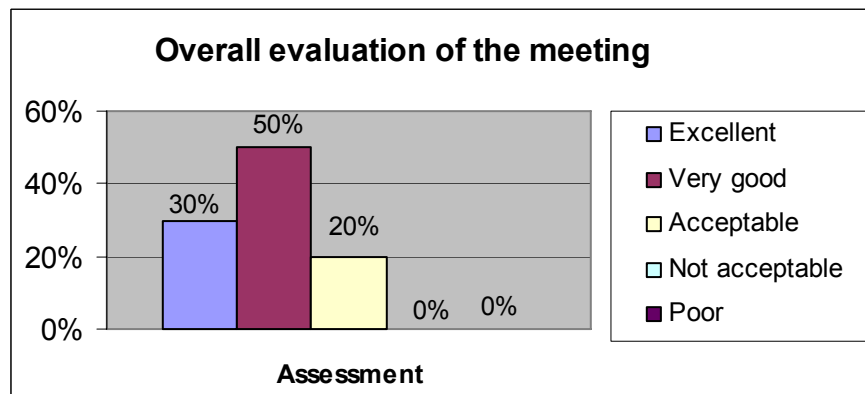

80% of the persons who were present felt satisfied with their participation in the meeting. 20% of them thought that their own satisfaction was "Very High", 60% "High" and 20% "Normal".

100% of the participants considered that the time dedicated to the meeting was "Adequate". Nobody thought that it would have been good to have more time or that the time was excessive.

All the participants have evaluated the E-CONS project positively, 50% as “Very High” and 50% as “High”.

As a whole, 100% of the participants held the meeting in very high esteem, so that they evaluated it either as “Excellent” (30%), “Very good” (50%) or as “Acceptable” (20%).
