

Soy el sol. I am the sun.

A vibrant sunset over the ocean. The sun is a bright, glowing orb in the upper left, casting a long, shimmering reflection on the water. The sky transitions from a deep orange near the horizon to a darker red at the top. In the foreground, the dark silhouette of a person stands on the beach, looking out at the sea. The overall scene is peaceful and evokes a sense of natural energy.

La principal fuente de energía.  
The main source of energy.

**Soy el viento. Una importante fuente de energía.  
I am the wind. An important source of energy.**

Soy la energía eólica.  
I am the wind power.

Alumbro.

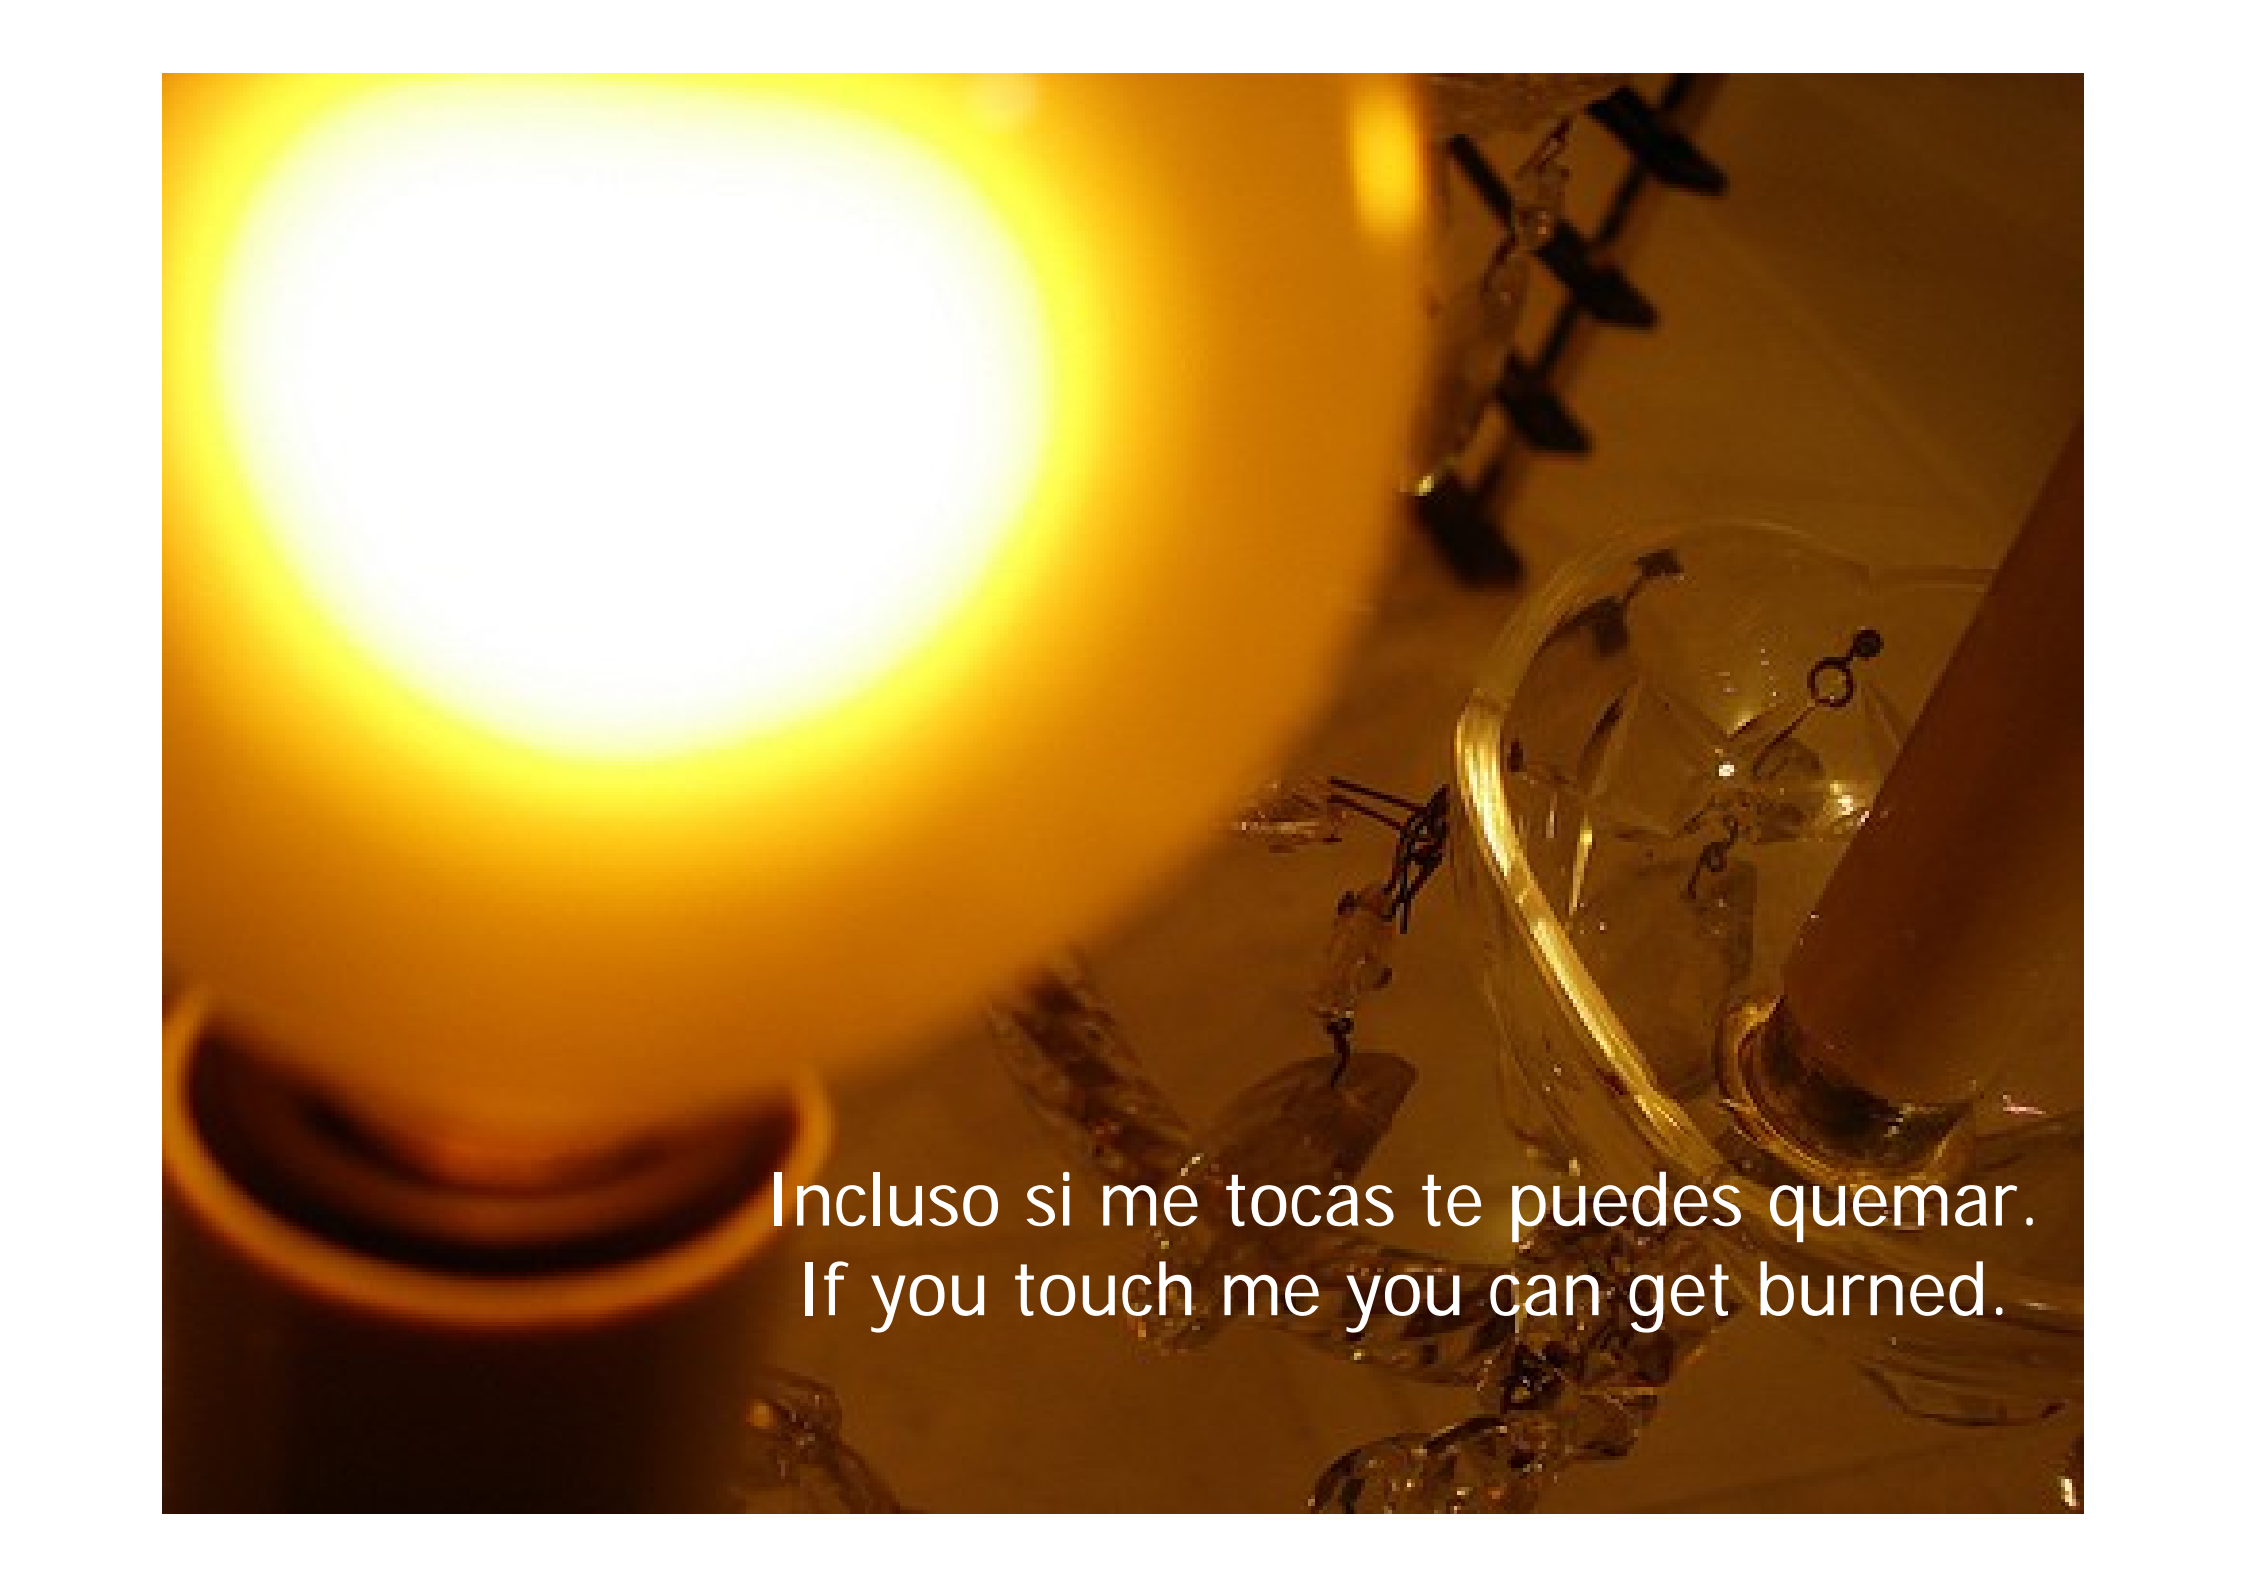

I give light.

Caliento  
más de la cuenta.

I heat up  
more than necessary.

Incluso si me tocas te puedes quemar.  
If you touch me you can get burned.

Mi consumo daña tu bolsillo

My consumption harms your pocket

y el medio ambiente.

and the environment.

Piensa...  
Think...

Piensa...  
Think...

Anímate y cambia  
Cheer up and change!

Yo soy la alternativa  
que te ayudará a ahorrar  
en el recibo de la luz  
y en los recursos al planeta.

I am the alternative  
that will help you to save  
in the electricity bill  
and the resources of the planet.
