Please indicate whether you have experience in the following subjects:  
 Energy Saving  Responsible Consumption  Climate Change  Others

Please indicate whether you have experience in organizing and/or participating in projects:  
**In our school we carry out, during various school years, different projects about water saving, recycling, elaboration of toys....**

Please indicate your expectations regarding the meeting and the exchange of experiences:  
**To learn new ideas for carrying out new projects and share our work with other schools.**

Title of the **PROJECT**: **Responsible Consumption. Recycling – Elaboration of toys.**

Main subject of the project – Please select one of the following subjects:  
 Energy Saving  Responsible Consumption  Climate Change  Others

Summary of the project (maximum 5 lines):  

- **To create our own toys**
- **To learn to recycle at home and in the classroom**
- **To know the advertising and not to give way to sexist stereotypes.**
- **Revival of traditional toys.**
- **To connect not discriminating game and sport.**

Observations/Remarks (maximum 5 lines):  
**It is developed for pupils of Infant and first level of Primary Education. It has four pages and one video (not very good quality) with activities of pupils elaborating their own toys.**
