Please indicate whether you have experience in organizing and/or participating in projects:

Our school intends to carry out, during this school year, a project about energy saving on individual level. Our participation in this Meeting has the objective to collect information about other experiences or projects, without presenting an own proposal. The Education Department of the Government of Navarra has offered to the teachers participating in the national competition "Consumopolis" to invite them to attend this Meeting. In case that this autonomic competition has been awarded before the Meeting, we will bring the virtual book of the participating pupils. This virtual book deals with the subjects of leisure time and responsible consumption.

Please indicate your expectations regarding the meeting and the exchange of experiences:

- **To exhibit typical products as well as touristic information of the Region of Navarra.**
- **To receive information about other projects and to have the possibility in participating in one of them.**
- **Our school will not present a new project.**
- **To exhibit the work carried out by the pupils in the competition Consumópolis.**
