Title of the **PROJECT: Introduction of project LOLA in the bilingual schools of Bulgaria**

Main subject of the project – Please select one of the following subjects:
 Energy Saving Responsible Consumption Climate Change Others

Summary of the project (maximum 5 lines):
The project LOLA encourages the pupils to be active in the subject of responsible consumption making them investigate the daily reality of consumption in their environment and typical and natural atmosphere through different school activities included in the project. It is also foreseen to look for new practical and reasonable forms to improve increasing the level of responsibility and the knowledge of the consumers. This activity will be carried out via communication and direct discussions with friends, family or neighbours which would be useful for the development of the pupils as persons and citizens of Europe and the world.
