**My expectations are high.**

Title of the **PROJECT**:

Main subject of the project – Please select one of the following subjects:  
 Energy Saving  Responsible Consumption  Climate Change  Others

Summary of the project (maximum 5 lines):  
**Energy saving is the activity of reducing the amount of every producing resources people use and deplete in the daily course of their lives.  
 There is a limit quantity of non-renewable energy resources on earth.  
 So is it essential to save the current supply and use renewable sources that will be available in the future.  
 By making some behavioural changes, individuals and organizations can decrease their consumption to save energy.**

Observations/Remarks (maximum 5 lines):
